

# IPEDS Retention Comparison 2020-21

The following tables and charts are generated from the 2020-21 IPEDS Fall Enrollment data. The data is divided into reports on all the NCCCS schools as well as all 2-year public schools.

Haywood Community College is identified in the following charts with a large colored dot. Dot colors are determined according the rules below:

- Green - the college is greater than both the category and overall averages
- Yellow - the college is greater than just the category average
- Orange - the college is greater than just the overall average
- Red - the college is less than both the category and overall averages

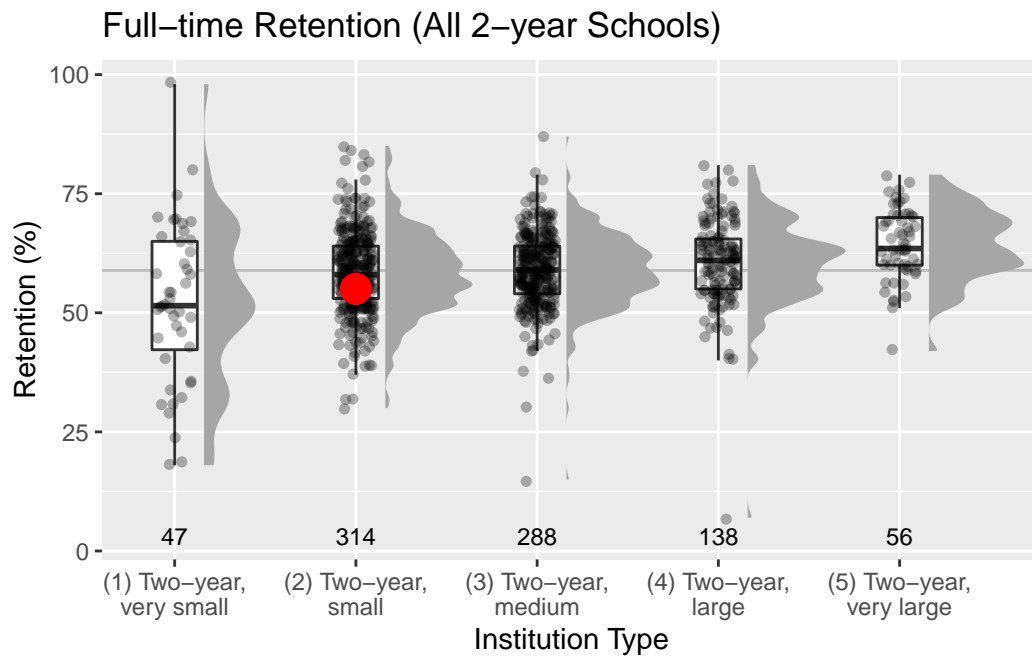

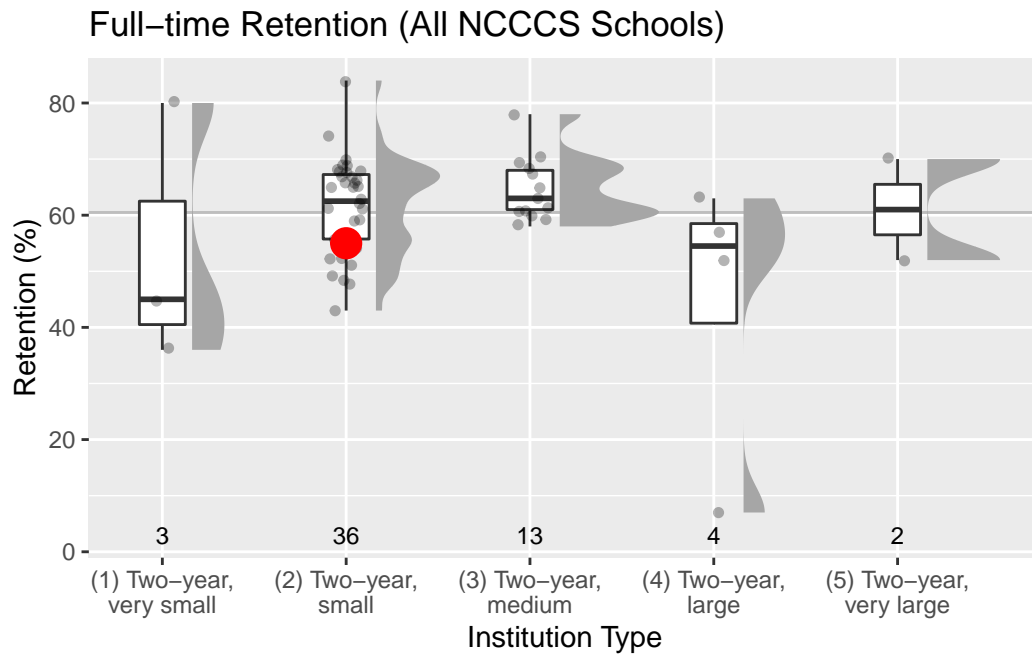

The average retention rate for all full-time students at NCCCS and 2-year schools are:

Category	Overall Retention (%)	Category Retention (%)
All NCCCS	60.48	61.28
All 2-Year	58.89	58.24
Haywood Community College	55	55

The average retention rate for all part-time students at NCCCS and 2-year schools are:

Category	Overall Retention (%)	Category Retention (%)
All NCCCS	43.31	44.47
All 2-Year	39.93	40.39
Haywood Community College	49	49
